MINUTE OD MEETING OF THE S.E.C., HELD OCT. 11th

Minutes of Meeting of the S.E.C. held Oct. 11th, at 13, Bryanston Street. Members present: Misses Bernau, Kitching, Young, Lambert, Osborne, and Gray. Miss W. Kitching in the Chair.

1. The Minutes of last meeting were read and Minute 8 was corrected.

(This now reads: "The Conference was postponed for one year on account of the Whitby Gathering. We quite realize that a biennial Conference at Ambleside is too much for the College, and now it seems to rest between continuing to hold a biennial Conference with each alternate Conference at Ambleside, or to hold a triennial Conference, each one being at Ambleside and we feel that this is a matter for discussion at the next Conference)."

2. A letter of resignation was read from Mrs. Hughes-Jones as she felt that after the meeting on Sept. 24th, she could no longer remain a member of the S.E.C. The Secretary was asked to write a letter of regret at her decision and also of appreciation of all the valuable help she has given both as Chairman and as an ordinary member of the Committee. She will be much missed.

A letter was read from Mrs. Franklin asking us to nominate a delegate to the P.N.E.U. Executive. Mrs. Hughes-Jones was unanimously chosen and we hope that she will stand.

3. The election of the next S.E.C. was then discussed and following on from the Meeting on Sept. 24th, a notice is to be put in the January Magazine asking all members to nominate a Student of their own year to serve on the Committee and to send their nomination to Miss Gray.

4. A wish has been expressed that the January Meeting should take the form of a Social gathering and Miss Lambert was asked to undertake the arrangements for an afternoon of Progressive Games, etc., on Wednesday, Jan. 11th, 3-30-7, with the help of an entertainment Committee. Tickets to be 3s. each to cover the cost of the hire of a room and of tea. A notice is to be inserted in the October magazine so that all may know of it.

5. A letter from Mrs. Cooper (Olive Thorp), was read drawing attention to the Salaries of Students and to the need of an up-to-date prospectus of Scale How: it was thought better to reserve the discussion of these points until the Conference.
6. It was decided to hold a week's Conference up at Ambleside, probably from Wednesday to Wednesday, the date to be fixed by Miss Mason. A general plan for the week was sketched out, but things will be discussed more in detail at the next Committee Meeting.
7. The next S.E.C. Meeting is to be held on Nov. 8th, at 13, Bryanston Street.

(Signed) LILIAN GRAY.

Minutes of the Meeting of the S.E.C. held on Nov. 15th, at 13, Bryanston Street. Member spresent: Misses Bernau, Kitching, Pennethorne, Young, Curry, Lambert, and Gray. Miss Gray in the Chair.

1. The Minutes of last meeting were read.
2. In response to a request from Mrs. Franklin that a Student who is unmarried and who is still teaching, should be nominated for the P.N.E.U. Executive, we elected Miss Lambert, and she agreed to serve as our representative on that Committee.
3. Miss Lambert reported on the arrangements, she, with the help of an Entertainment Committee, has made for the January meeting at 3, Queen's Gate.
4. The date of the Conference has been fixed for April 27th (Thursday) as the present Students go up on Wednesday the 26th.
5. It was decided to hire the Y.M.C.A. room once again, if possible, as the distance of the Grammar School from the village was felt to be too great.
6. The election of the new Committee was again discussed and every student is to be asked to nominate Students for the posts of Secretary, Treasurer, and Editor, in addition to one of her own year—the two who come next after the one elected Secretary to serve as Assistant Secretaries.
7. The General plan of the Conference was next discussed and was arranged as follows:

Friday Morning. (i) Letter from Miss Mason; (ii) The Announcement of the New Committee; (iii) Discussion of the various points raised in Miss Franklin's letter—printed in the Oct. PLANT.

Friday Afternoon. A Guide's Conference on Guide and Scout Work. This to be an open meeting.

Friday Evening. An "At Home" to the Staff and

Students of "Scale How." A children's book evening was suggested. Each one to wear the emblem of a book and to come provided with a list, so that a good list of children's books may be compiled.

Saturday Morning. Open Association Meeting.

Saturday Afternoon. Hockey matches, etc. All who wish to take part in these are asked to send in their names to Miss Osborn.

Sunday. "Meds" at Scale How.

Monday & Tuesday. To be devoted to a Refresher Course arranged for by Miss Mason.

Tuesday Evening. An entertainment by "The Mumm-ers" to the whole Conference.

Wednesday. To be left for Students to plan their own excursions and Outings.

8. The next meeting of the S.E.C. to be held on Tuesday, Feb. 7th at 13, Bryanston Street, when the programme will be finally drawn up ready for publication in the March magazine.

"LETTERS."

Dear Old Students,

A Happy New Year to you all!

We have had a very busy term and were very sorry to leave College; but there were one or two exciting events previous to that.

Professor de Burgh's visit was, despite some anxieties a very pleasant event and we all enjoyed his address immensely.

Then Mr. Philips came and gave us a talk about handicrafts, with a demonstration upon some carving of just how it *ought* to be done! It was very thrilling to see him taking great slices off a leaf and producing the desired result!

On the last Saturday of term we all went to Grasmere, to the Swan Inn where we had tea and dancing before walking home arm in arm abreast across the road.

The Fancy Dress Dance followed and was a great success. The class room was done up as the garden of "Mary, Mary, quite Contrary" and was really very lovely with paper roses and other flowers. Some of the dresses were very effective. There were several peasants and gypsies, a Spanish Lady, Alice in Wonderland, Puck, a gnome, a herald in silver and blue, two witches, Autumn with real autumnal leaves hanging round her, and several other very pretty costumes.

Miss Mason came in for supper and the S.M. and her successor each made a delightful speech, the latter commenting upon the strain of living up to "twenty-two blue teapots"!

Although the term came to an end, as indeed has our year, far too soon, we all look back upon it with very real pleasure. There is not one of us but will carry away with us pleasant and

inspiring memories of Scale How, and we are all looking forward to seeing each other again at the Conference.

Yours truly,

THE (LATE) PRESENT STUDENTS.

Dear Editor,

You have evidently not heard of Mrs. Thornton Ripley's (née Lucy Beatty) very sad death last July. She was my greatest friend, and no one could have had a truer or more faithful one than she was to me. In case you would feel her fellow students would like to know something of her life since she left Ambleside, I will give you a slight outline of it from that time. She had only one post, which she left in 1910 to take up Missionary teaching out in India (the land of her birth), at the St. Andrew's Colonial Homes at Kalimpong. It was there that she met her husband, Mr. Thornton Ripley, one of the Masters of the Schools at the Homes, and they were married in 1914.

In October, 1920, Lucy was very seriously ill with blood-poisoning and had to lose one of her fingers as a consequence. The voyage home seemed to put some strength into her for a time, but the doctors found it was too late to save her, and though she was brought to the School of Tropical Medicine in Liverpool, it was all no good, as she passed away on July 17th last. We all believed she was recovering very slowly, so that her death was a great shock and grief to us all.

As a mother Lucy Beatty came up entirely to Miss Mason's ideal of one, and her early death is all the more to be lamented on that account.

Yours etc.,

KATHLEEN M. CONDER.
